iKey

PM-72

Panel Mount Keyboard with Oversized Keys

iKey's innovative PM-72 panel mount keyboard was designed to accommodate rugged applications in manufacturing, material handling and remote data entry. Its unique, oversize keys are color arranged and feature a roomy layout for convenient gloved-hand use. It features a small-footprint design and a large numeric pad. Like other keyboards in the iKey line, the PM-72 is constructed with an industrial silicone keypad, sealing it from dust, liquids and corrosives.
Features:
72-Key Functionality
8 Function Keys
USB and PS/2 configurations available
